

CSA Pick-up Protocol –Mercer Island Pagliacci

Thank you for joining us for Oxbow's Spring CSA. We're thrilled to be planning for your first Share! Below are some important details to help facilitate a safe, smooth pickup.

Choosing your Weekly Share

Oxbow will email all Shareholders every Friday with a link to reserve your weekly box selection. All box reservations must be made by midnight every Sunday. If we don't hear from you, we'll make your box selection for you! Make sure you add farmers@oxbow.org to your email address book to be sure you receive our communications.

Pick-up Time and Day

Pickup is at the [Mercer Island Pagliacci](#) every Sunday from May 17th to June 21st. The Pagliacci staff will help facilitate your pickup. We encourage you to arrive between 11am and 2pm to ensure optimal freshness of your produce. Note: The store opens at 11AM, so kindly do not attempt to pick up prior to that.

Pagliacci is unable to store unclaimed Shares overnight; any remaining food at the store's close on Sunday night will be donated.

Pick-up Location Info

If you're picking up in-store, thank you in advance for following Pagliacci's social distancing guidelines. Since Pagliacci is a restaurant, pick-up protocol may be subject to slight changes during the season as they accommodate updates to food safety recommendations. We will communicate any information relevant to CSA Shareholders as we receive it from Pagliacci.

Get your veggies, get your pizza! Pagliacci has also generously offered to deliver your box when you order a pizza for delivery within the Mercer Island delivery zone! [When you call in your pizza order](#), be sure to tell the operator that you also have an Oxbow CSA Share that you'd like delivered along with your meal.
